ETOSHA

Etosha ist der Name des bedeutendsten Nationalparks und Schutzgebietes in Namibia. In den Trockenperioden sind eine Vielzahl von Tierarten um die lebensnotwendigen Wasserlöcher anzutreffen. In diesem Werk wird das bunte, chaotische und gefährliche Treiben um ein solches Wasserloch beschrieben. Denn im Schutz der Dunkelheit lauern auch Löwen auf Ihre Chance, ein unachtsames Tier zu überraschen. «Etosha» beginnt gleich mit dem Hauptthema, das als roter Faden durch das ganze Werk führt. Die Savanne liegt majestatisch in Abendstimmung vor uns. Diese weicht jedoch alsbald mit dem Sonnenuntergang. Die Nacht beginnt...

Im nun folgenden Teil kehrt vorsichtig zaghafte Leben um das nächtliche Wasserloch ein. Kleine Tiere wagen sich an das kostbare Nass. Mit der Zeit finden sich immer mehr Savannenbewohner ein, bis schließlich ein reges Treiben herrscht. Doch die Eintracht trügt. In der Nähe wartet ein Rudel Löwen auf den richtigen Augenblick. Nach einem spannungsgeladenen, «schwebenden» Augenblick entschließen sich die Raubtiere zum Angriff. Ein chaotisches Durcheinander und panische Flucht sind die Folge. Die Angreifer verschwinden mit ihrem Opfer in der Dunkelheit. Bald darauf erhellt der aufkommende Morgen die Szenerie. Im letzten Teil zitiert das Werk das einfache, aber harte Naturgesetz «fressen und gefressen werden», indem das Thema des ersten Teils wieder aufgenommen wird und sich somit der Kreis schließt.

Armin Kofler

Armin Kofler wurde 1981 in Bozen im Südtirol (Italien), geboren. Im Alter von fünf Jahren, brachte ihm sein Vater das Keyboardspielen bei. Mit neun Jahren begann er mit dem Trompetenunterricht an der örtlichen Musikschule. Im Jahr 1996 trat er der Musikkapelle Lengstein bei, der er noch heute angehört. Die praktischen Erfahrungen, die er im Verein sammelte sowie das Studium zahlreicher Partituren inspirierten und bewogten ihn zu seinem ersten Werk «A New Age», das im Jahr 2001 von der Musikkapelle Lengstein unter der Leitung von Manfred Gampenrieder uraufgeführt wurde. Von 2002 bis 2004 besuchte er den Kapellmeisterlehrgang des Verbandes der Südtiroler Musikkapellen, der ihm auch in kompositorischer Hinsicht sehr hilfreich war. Später sind weitere Werke für Blasorchester, aber auch für Brass Band und andere Bläserformationen entstanden.

F

ETOSHA

Le parc National le plus connu en Namibie est Etosha. En période de sécheresse, une multitude d'animaux se rassemblent autour des points d'eau. L'œuvre décrit l'ambiance animée et dangereuse au bord de ces puisards. Car dans la pénombre, les lions sont à l'affût et tenteront leur chance pour surprendre une bête imprudente. Etosha commence avec le thème principal qui sera d'ailleurs le fil rouge de cette composition. Une ambiance majestueuse du soir s'installe dans la savane. Le soleil se couche et la nuit tombe...

Cette partie de l'œuvre dépeint le moment où quelques animaux de petite taille s'avancent prudemment en direction de la source d'eau si précieuse. Peu à peu d'autres habitants de la savane les rejoignent et animent la scène autour du plan d'eau. Mais cette ambiance calme et harmonieuse est trompeuse.

Une meute de lions, tapie non loin de là, attend le bon moment. Après une attente chargée de tension, les fauves passent à l'attaque; c'est la panique totale. Les animaux prennent la fuite. Les attaquants disparaissent dans l'obscurité avec leur proie. La lumière du matin fait son apparition. Dans la partie finale, l'œuvre rappelle la dure loi de la nature «manger et être mangé». Le thème du début réapparaît et boucle ainsi l'œuvre.

Armin Kofler

Armin Kofler est né en 1981 à Bolzano dans le Tirol du Sud. A l'âge de 5 ans, son père lui enseigne le keyboard. Dès 9 ans, il prend des leçons de trompette à l'école de musique régionale. Il joint la société de musique de Lengstein en 1996 et en fait encore toujours partie.

L'expérience glanée au sein de cet ensemble ainsi que l'étude de nombreuses partitions l'inspire pour écrire sa première pièce «A new Age» créé en 2001. De 2002 à 2004, il suit des cours de chef d'orchestre au sein de l'association des fanfares du Tirol du sud. L'apprentissage des rudiments de composition lui a été très utile pour écrire diverses œuvres pour Harmonie, Brass Band ainsi que pour d'autres formations.

Etosha is the most famous national park and nature reserve in Namibia. During the dry seasons, many different animals can be encountered around the waterholes, which are essential for survival. The colourful, chaotic and perilous goings-on around these waterholes is brought to life in this piece for there are lions waiting in the obscurity of the shadows, ready to pounce on any animal caught off-guard. ‘Etosha’ begins with the principal theme which serves as an overarching theme and common thread throughout the work. The savannah lies in its magnificence before us in the still of the evening. But everything changes when the sun goes down. The night begins...

In the next section, nocturnal life around the waterhole tentatively begins to pick up. Small animals dare to drink the precious liquid. By and by, more and more residents of the savannah stop by until the waterhole is a flurry of activity. Yet appearances are deceiving. A pride of lions waits nearby for the right moment. After a moment fraught with tension, the predators attack. Chaos ensues and the animals flee in panic. The lions disappear into the darkness with their spoils. Shortly afterwards, the rising sun casts its rays over the scene. The last section of the piece cites the simple but brutal law of nature: ‘eat or be eaten’, as the first section is heard again and everything comes full circle.

Armin Kofler

Armin Kofler was born in 1981 in Bozen, South Tyrol, Italy. At the age of five his father began to teach him the keyboard. Four years later he started to learn the trumpet at the local music school. In 1996, Armin joined Lengstein band, of which he is still a member today. The practical experience Armin acquired in the band, and his studies of many scores has inspired and empowered him to compose his own „A New Age“ which was premiered by Lengstein band under the direction of Manfred Gampenrieder in 2001. From 2002 until 2004 Armin attended a conducting course organised by the South Tyrolean Band Association which, in regard to his composing, has proven extremely helpful. Since 2004, Armin Kofler has composed several additional works for wind band as well as brass band and other brass formations.
